## **Chapter 11 - Appeals During and After Competition**

- 11.1 An appeal may be submitted regarding the following: decisions concerning anti-doping rules violations, mistakes made by tournament officials, or violations of Lancaster Classic rules by athletes, coaches, Lancaster Archery Supply Staff, or judges. No appeal will be accepted in protesting against the event itself
- 11.2 The following parties have the right to submit an appeal: the athlete or other individual who is the subject of the appealed decision, the other party to the case in which the decision was rendered, the National Anti-Doping Agency of the athlete's country of residence or countries where the athlete is a national or license holder, or Lancaster Archery Supply
- 11.3 A separate appeal must be submitted for each individual infraction being claimed
- 11.4 A \$100 cash fee per appeal will be required immediately upon submission of said appeal before it will be accepted. No appeal will be accepted without this fee. This fee will be returned in full to the applicant only if their appeal is successfully upheld
- 11.5 A Jury of Appeal consisting of three members shall be appointed by Lancaster Archery Supply for each Lancaster Archery Classic
- 11.6 Appeals may be made solely to the Director of Judges, who shall then pass the appeal along to the Jury of Appeal. The Jury of Appeal will resolve the dispute definitively in accordance with their interpretation of the Lancaster Classic rules. The maximum time limit for a response to the appeal is twenty-one days after receipt of the original appeal
- 11.7 Appeals concerning the violation of rules by athletes, coaches, or judges during the qualifier round shall be submitted to the Director of Judges in the time period between the start of the athlete's official practice to fifteen minutes after the completion of the athlete's shooting line
- 11.8 An intent to appeal when it might affect the progression of an athlete from one stage of the competition to the next shall be expressed in writing and lodged with the Director of Judges within five minutes of the end of the relevant round or match, or prior to the start of the next match, whichever is first
